### **1) Conditions in wills and the impact of the Constitution - 11 and 12 July 2022**

### **2) Formalities and Condonation of Wills - 1 and 2 August 2022**

Every will must comply with strict formalities to be valid. The seminar deals with sections 2(1) and 2(3) of the Wills Act 7 of 1953.

### **3) Testamentary Vehicles - 15 and 16 August 2022**

The seminar deals with the bequests, legacies, usufructs, fideicommissa and testamentary trusts. The different testamentary vehicles will be explained and differentiated, and practical insights will be shared regarding when they should be used.

### **4) Intestate Succession (The ins and outs) - 29 and 30 August 2022**

The mechanical application of intestate succession law can be confusing to many, mainly since the Intestate Succession Act, as initially conceived in 1987, has been massively influenced by the Constitution. The seminar will explain the mechanics of the Act and the effect of the Constitution.
