

LEGAL WRITING HACKS FOR LAWYERS

6 hours remote lecturing

Held over 2 days

THE COURSE AT A GLANCE

Are you tired of legalese? Of copy and paste?

Do you want to learn how to write legal texts clearly and effectively?

This course will help you understand the requirements for clear legal writing, analyse your own writing, and develop strategies to improve your writing. You will be equipped with tools (and hacks) to help you improve and refine your writing. Think of it as your first day at the (writing) gym. If you consistently use the tools and hacks that we equip you with in this short course - before you know it your writing will be in great shape!
