Contested Histories and Current Struggles

Disputes are taking place around the ownership of resources, decisions about their exploitation and who should benefit.

Join us when these contested histories and struggles and their legal ramifications are discussed by **William Beinart**, historian and co-editor of a new book on land, together with contributors **Advocate Geoff Budlender**, **Dineo Skosana**, researcher at the Society, Work and Politics Institute (SWOP), **Khumisho Moguerane** from the Department of History at the University of Johannesburg, and **Advocate Tembeka Ngcukaitobi**, author of *The Land Is Ours: Black Lawyers and the Birth of Constitutionalism in South Africa*.
