

### **Dr. Albert Chris Puja**

Dr. Albert Chris Puja is a legal expert specializing in financial regulation and fintech regulation. He has contributed extensively to these fields, notably authoring four chapters in the book *Fintech Law and Regulation: An African Perspective* (Juta: 2023). Academically, Dr. Puja holds a Bachelor of Laws from Nnamdi Azikiwe University, a Master of Laws in International Trade, Business and Investment Law, and a Doctor of Laws from the University of the Western Cape, focusing on fintech law and regulation.

In addition to his academic pursuits, Dr. Puja has collaborated with leading commercial law firms, advising startups, established corporations, and government institutions on regulatory compliance, data protection, financing, intellectual property, technology transfer, tax, and contract documentation.

Paper presented in 2022: ***“The AfCFTA’s Digital Trade Protocol as a catalyst for digital transformation.”***
