### WORK HISTORY

#### *January 2025 - December 2025*

Lecturer in the Law of Evidence - Department of Public Law, Stellenbosch University

Lecturer of two courses at a final-year and third-year level at Stellenbosch University. Responsibilities include setting and marking assessments for both modules, which are internally and externally moderated, and serving as an ad hoc evaluator for Master's level dissertation proposals. Administrative functions and academic service aimed at promoting departmental activities are balanced with active engagement with students during lectures and consultations.

#### *July 2025*

Lecturer - Stockholm University Summer Law Programme

Designed and delivered a 2-week law course based on applicant's own research work in the area of criminal law, criminal procedure, evidence and psychology. Across 12 teaching hours and 70 notional hours of work, engaged with a class of 23 students from 10 different countries.

#### *January 2023 - December 2024*

Teaching Assistant - Department of Private Law and Department of Public Law - University of Cape Town

Provided administrative support to lecturers through conducting tutorials, lectures and workshops. marking assessments and providing quality, personalised feedback to students. Also worked closely with administrative assistants to ensure smooth functioning of course management.
