Just finished your law degree? Or frustrated after many years at a traditional law firm?

We will explore the broad range of legal careers available outside of traditional career routes.

Be at the forefront of legal innovation in roles like legal operations manager, policy advisor, or legaltech developer. Carve out unique opportunities in sectors such as corporate, government, non-profits, and startups. Use your legal knowledge to launch entrepreneurial ventures in legaltech.

Webinar overview:

- The legal industry re-imagined: understand how technology and changing client needs are creating new career opportunities
- Diverse career paths: explore a world of possibilities in legal tech, compliance, policy, and more
- Build your skillset: learn the must-have skills for these cutting-edge roles
- Make the leap: practical, real-world advice on how to pivot your career into these new areas.
