ENVIRONMENTAL LAW PRIMER:

What every business leader
should know

FROM OCTOBER TO NOVEMBER 2024

15 hours remote lecturing

Held from October to November 2024

COURSE INFORMATION

Globally, corporates are facing costly legal challenges, reputational damage, and loss of investor confidence arising from the impact of their business practices on the environment. For many businesses, a bolt-on or formulaic approach to ESG is failing to create the promised value and performance.

This highly interactive course is designed to challenge and reframe your environmental governance strategies for greater impact and advantage. Participants will gain an overview of the key aspects of both South African and international environmental law, foundational principles, enforcement, and compliance mechanisms.

The course will provide insights into current and emerging trends and how to leverage these for business transformation. **Presented in two parts - from October to November 2024.**

DATES & TIME: **PART 1: 1 to 2 October 2024**, 14:00 to 17:00 SAST (6 hours over 2 days)
