

INDEMNIFICATION IN CONTRACT AND ITS RAMIFICATIONS

2 September 2024

9:00 to 11:00 - SAST

One and half hour lecture plus Q&A

R780 per delegate

Full payment must be received three days before the webinar. Registrations close three days before the webinar starts.

The word indemnity means security or protection against a financial liability.

It typically occurs in the form of a contractual agreement made between parties in which one party agrees to 'hold harmless' the other party – either by promising not to hold the other liable for a wrong, or to pay for losses or damages suffered by the other party. In this webinar we will explore the functions and significance of indemnity in contracts.

Other webinars you may be interested in:

Standard contractual clauses; Interpretation of contracts and the parol evidence rule;

Representations and warranties in contracts; Force majeure clauses in contracts.

Presented by:

Dale Hutchison

Head of the Internal Research Unit at ENSafrica, and Emeritus Professor of UCT's department of Private Law
