UCT Law @ work
Professional Development Project

LEGAL DESIGN THINKING

3 June 2024
9:00 to 11:00 - SAST
One and half hour lecture plus Q&A

R780 per delegate
Full payment must be received three days before the webinar. Registrations close three days before the webinar starts.

Unlock innovation in law with our Legal Design course. Learn to create user-centric legal solutions, blending design thinking with legal expertise. Transform how legal services are delivered, enhancing accessibility, efficiency, and client engagement. Ideal for forward-thinking legal professionals, law students, and innovators. Join us to redefine the future of legal practice.

Career opportunities:

- Legal Design Consultant: advise law firms and legal departments on improving client experience and service delivery.
- Legal Tech Developer: design user-friendly legal technology solutions.
- In-House Legal Designer: implement design thinking in corporate legal departments for better process efficiency.
- Legal Educator/Trainer: teach legal design principles in academic or professional settings.

Presented by:

Leah Molatseli
Lawyer, Published Author and Legal technology and innovation specialist.
