

MERGERS AND ACQUISITIONS: A PRIMER

6 hours remote lecturing

Held over 3 days

COURSE INFORMATION

This course will provide an overview of the various aspects to consider during a merger, with a particular focus on aspects of competition law, labour law and intellectual property law.

Mergers and acquisitions between business entities entail a number of key legal, business, human resources, intellectual property, and financial issues. To successfully navigate the sale, acquisition or merger of a company, and to advise clients, all legal professionals – whether in practice or corporate counsel – must understand the dynamics and issues that frequently arise in the legal landscape when dealing with M&As.
