

REPUTATION MANAGEMENT LAW: The rights to dignity, privacy and reputation in the modern era

6 hours remote lecturing

Held over 3 days

COURSE INFORMATION

This online course delves into the legal principles of reputation management for both individuals and corporate entities.

Students will gain theoretical insight and practical skills to address events that may tarnish or misrepresent their personal or business integrity. Topics include the handling of personal insults, invasions of privacy, attacks on their reputation and injurious falsehoods. Participants will learn strategies to protect against and respond to threats involving their individual or corporate rights to dignity, privacy and reputation in the modern era.
