

RISK MANAGEMENT USING EFFECTIVE LEGAL CONTRACT STRATEGIES

6 hours remote lecturing

Held over 2 days

COURSE INFORMATION

Do you know how basic contract strategies and clauses can play a major role in minimising unavoidable risks?

Businesses and individuals lose funds every day due to poor contract management strategy and policies. Poorly-negotiated contracts and associated damages sometimes lead to business collapse, not only for large corporations but also small and medium enterprises.

This course provides useful insights into effective contract finalisation skills and will help you understand the full extent of the associated contractual risks into which you are entering.
