AVIATION LAW FUNDAMENTALS

PRESENTED ONLINE VIA ZOOM

DATE	TIME	COURSE DURATION	COURSE FEE
5 to 9 April 2027	08:00 to 10:00 SAST	10 hours over 5 days	R6,500 per delegate Includes any course materials. Full payment must be received 3 days before course starts.

Specifically developed for professionals in the aviation field, this course is designed to equip aviation professionals with the requisite legal knowledge for them to navigate legal issues in the aviation industry.

The course provides an overview of the basic fundamentals of international aviation law with a particular focus on air service agreements, open skies agreements, traffic rights, the legal and institutional framework of international aviation and the roles and functions of principal organisations involved in the regulation of the aviation industry. The course will also provide the participants with an operative perspective of application of aviation law from an African perspective.

Aimed at aviation law practitioners and non-lawyers such as senior executives and managers drawn from civil aviation authorities, airports, air navigation service providers, airlines, international and regional aviation bodies, government officials responsible for civil aviation policy, and the general consumers of aviation services.

PRESENTED BY: Dr. William Kiema Sammy - Advocate of the High Court of Kenya, Lecturer, Scholar and Aviation Law Consultant.
