In today's complex corporate landscape, a deep understanding of the legal framework governing financial transactions is indispensable for lawyers, finance professionals, and corporate decision-makers.

Delve into the intricate intersection of law and finance with this interesting 20-hour course which offers a comprehensive exploration of legal considerations in corporate finance. Through engaging lectures, case studies, and real-world examples, you will gain valuable insights into the legal intricacies that impact corporate finance transactions.

Whether you aspire to become a corporate attorney, enhance your legal acumen when it comes to finance transactions or advise corporates on financing transactions, this course equips you with the expertise needed to effectively navigate the legal aspects of corporate finance.

PRESENTED BY: Dr Justice Mudzamiri - LLB LLM LLD. Attorney of the High Court of South Africa
